Title: Airblast Air Filter Cartridges

Multi Fit

The AFC-C100 and AFC-B100 Air Filter Cartridges will multi fit into many brands of Air Filter Units available on the markets. AFC-C100 fits into Clemco and AFC-B100 fits into Bullard Air Filters.

Increased Filter Life

Both Air Filter Cartridges can offer increased filter life with the use of Quality Filtration materials. Greater material surface area provides increased absorption of oils, water and odours. The natural fibre felt swabs very efficiently absorbs oil from the air stream allowing the compressed air to flow through to the further stages of moisture and odour removal.

Quality Materials

The highest Quality Filtration materials which are manufactured to exacting standards have been chosen for the above Air Filter Cartridges to ensure the most efficient and effective filtration.

No Corrosion

The AFC-C100 and AFC-B100 Air Filter Cartridges are injection moulded polypropylene which will not corrode or collapse like the tin alternatives.

!WARNING! These filter cartridges does not remove carbon monoxide (CO). Carbon Monoxide alarms must be used at all times.

Portable/Stationary Abrasive Blast Equipment - Nozzles - Nozzle Holders - Hoses - Couplings - Lighting
 Wetblast Equipment - High Pressure Waterjetting - Personal Protection - Blast Cabinets - Blastrooms
 Vacuum Blast/Recovery Equipment - Portable/Stationary Wheelblast Equipment - Dehumidifiers
 Pipe Cleaning/Coating - Air Treatment - Mobile Dust Collectors - Media - Paintspray Equipment
 Plural Component - Measuring Instruments
