Title: Airblast Astro Blast Helmet

The AIRBLAST ASTRO is your number one choice economy Abrasive Blasting Helmet which meets safety standards worldwide including Europe, The Americas, Middle East and Far East. CE approved.

FEATURES AND BENEFITS:

- Enjoy a **Lightweight Robust Quality Helmet**. Less weight means less fatigue. The helmet only weighs 1.2 kg.
- **Removable Head Suspension** for ease of cleaning the inside of the helmet.
- **Sturdy Visor Frame** with integral molded hinge.
- **Large Flat Lens** provides excellent vision without distortion. Lower cost replacement lenses. Optional tear-off lens available.
- Keep a constant eye on your airflow with the **Low Flow Indicator**. This device allows the wearer to check that the airflow is sufficient to provide the necessary respiratory protection.
- **Hand Strap** for carrying or hanging your helmet up.
- **Abrasive Resistant Polyethylene Helmet Shell**.
- **Flexible Breating Tube** silences the incoming air supply and provides a quiet working environment.
- **Flow Control Valve** provides the ability to adjust the incoming airflow to suit the wearers requirements.
- **Replaceable Cape Cover Band** seals the top of the cape and stops abrasive entering.
- **Durable Nylon Cape** protects the wearers neck and upper body; soft inner collar provides a comfortable seal around the neck.
- Each part can be **easily** replaced using conventional tools.
